

# London 2012 – Sustainable Legacy

**Shaun McCarthy OBE**

Chair of the Commission for a Sustainable London 2012  
(2006-2013)

Did London 2012 genuinely leave a sustainable legacy or really inspire a generation to more sustainable practices?

Shaun McCarthy describes the background to the Commission and some of the challenges faced in developing a body offering unprecedented levels of transparency, working with, and often challenged by, government bodies, global corporations and NGOs.

Windsor Building
