**The Performance of Public Services:
How much does the public really
want to know?**

CPSO Lecture

David Walker will address the 'cognitive overload' implicit in many theories of democracy, especially those underpinning the empowerment ideas that have become fashionable in recent years.

**The Principal
Professor Stephen Hill requests
the pleasure of your company at**

**The Performance of Public Services:
How much does the public really
want to know?**

**by David Walker
The Audit Commission**

Wednesday 18 March 2009
