Disciplinary Procedures

Stage 1 - Oral Warning

If conduct or performance does not meet acceptable standards the member of the academic staff will normally be given a formal ORAL WARNING. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this paragraph. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

Stage 2 - Written Warning

If the offence is a serious one, or if a further offence occurs, a WRITTEN WARNING will be given to the member of the academic staff by the Head of Department. This will give details of the complaint, the improvement required and the timescale. It will warn that a complaint may be made to the Secretary seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 if there is no satisfactory improvement and will advise of the right of appeal under this paragraph. A copy of this written warning will be kept by the Head of Department but it will be disregarded for disciplinary purposes after 2 years subject to satisfactory conduct and performance.

Stage 3 - Appeals

A member of the academic staff who wishes to appeal against a disciplinary warning shall inform the Secretary within two weeks. A Vice-Principal shall hear all such appeals and his decision shall be final.

Preliminary examination of serious disciplinary matters

14. (1) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure in paragraph 13, or in any other case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 may be made to the Secretary who shall bring it to the attention of the Principal.
(2) To enable the Principal to deal fairly with any complaint brought to his attention under sub-paragraph (1) he shall institute such investigations or enquiries (if any) as appear to him to be necessary.

(3) If it appears to the Principal that a complaint brought to his attention under sub-paragraph (1) relates to conduct or performance which does not meet acceptable standards but for which no written warning has been given under paragraph 13 or which relates to a particular alleged infringement of rules, regulations or byelaws for which a standard penalty is normally imposed in the College or within the faculty, school, department or other similar area, or is trivial or invalid he may dismiss it summarily, or decide not to proceed further under this Part.

(4) If the Principal does not dispose of a complaint under sub-paragraph (3) he shall treat the complaint as disclosing a sufficient reason for proceeding further under this Part and, if he sees fit, he may suspend the member on full pay pending a final decision.

(5) Where the Principal proceeds further under this Part he shall write to the member of the academic staff concerned inviting comment in writing.

(6) As soon as may be following receipt of the comments (if any) the Principal shall consider the matter in the light of all the material then available and may -

(a) dismiss it himself; or
(b) refer it for consideration under paragraph 13; or
(c) deal with it informally himself if it appears to the Principal appropriate to do so and if the member of the academic staff agrees in writing that the matter should be dealt with in that way; or
(d) direct the Secretary to prefer a charge or charges to be considered by a Tribunal to be appointed under paragraph 16.

(7) If no comment is received within 28 days the Principal may proceed as aforesaid as if the member concerned had denied the substance and validity of the alleged case in its entirety.

Institution of Charges

15. (1) In any case where the Principal has directed that a charge or charges be preferred under paragraph 14(6)(d), he shall request the Council to appoint a Tribunal under paragraph 16 to hear the charge or charges and to determine whether the conduct or performance of the member of the academic staff concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the member's appointment or employment.
(2) Where the Council has been requested to appoint a Tribunal under paragraph 16 the Secretary or, if he is unable to act, another officer appointed by the Principal shall take charge of the proceedings.

(3) The officer in charge of the proceedings shall formulate, or arrange for the formulation of, the charge or charges and shall present, or arrange for the presentation of, the charge or charges before the Tribunal.

(4) It shall be the duty of the officer in charge of the proceedings

(a) to forward the charge or charges to the Tribunal and to the member of the academic staff concerned together with the other documents therein specified, and

(2) A Tribunal shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

Powers of the appropriate officer where charges are upheld by Tribunal

19. (1) Where the charge or charges are upheld and the Tribunal finds good cause and recommends dismissal or removal from office, but in no other case, the appropriate officer shall decide whether or not to dismiss the member of the academic staff concerned.
(2) In any case where the charge or charges are upheld, other than where the appropriate officer has decided under sub-paragraph (1) to dismiss the member of the academic staff concerned, the action available to the appropriate officer (not comprising a greater penalty than that recommended by the Tribunal) may be -

(a) to discuss the issues raised with the member concerned; or

(b) to advise the member concerned about his future conduct; or

(3) If the member does not share that view the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any medical evidence submitted by the member), to a Board comprising one person nominated by the Council; one person nominated by the member concerned or, in default of the latter nomination, by the Academic Board; and a medically qualified chair jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

PART VI - GRIEVANCE PROCEDURES

Purpose of Part VI

31. The aim of this Part is to settle or redress individual grievances promptly, fairly and so far as may be, within the faculty, school, department or other similar area by methods acceptable to all parties.

Application

32. The grievances to which this Part applies are ones by members of the academic staff concerning their appointments or employment where those grievances relate -

(a) to matters affecting themselves as individuals; or

(b) to matters affecting their personal dealings or relationships with other staff of the College,

not being matters for which express provision is made elsewhere in this statute.

Exclusions and Informal Procedures

33. (1) If other remedies within the faculty, school, department or other similar area have been exhausted the member of the academic staff may raise the matter with the Head of the faculty, school, department or other similar area.

(2) If the member of the academic staff is dissatisfied with the result of an approach under sub-paragraph (1) or if the grievance directly concerns the Head of the faculty, school, department or other relevant area, the member may apply in writing to the Principal for redress of the grievance.

29
(3) If it appears to the Principal that the matter has been finally determined under Part III, IV or V or that the grievance is trivial or invalid, he may dismiss it summarily, or take no action upon it. If it so appears to the Principal he shall inform the member and the Grievance Committee accordingly.

(4) If the Principal is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of) -

(a) a complaint under Part III;
(b) a determination under Part IV;
(c) an appeal under Part V;

he shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and he shall notify the member and the Grievance Committee accordingly.

(5) If the Principal does not reject the complaint under sub-paragraph (3) or if he does not defer action upon it under sub-paragraph (4) he shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for him to seek to dispose of it informally. If he so decides he shall notify the member and proceed accordingly.

Grievance Committee Procedure

34. If the grievance has not been disposed of informally under paragraph 33(5), the Principal shall refer the matter to the Grievance Committee for consideration.

35. The Grievance Committee to be appointed by the Council shall comprise -

(a) a Chair;
(b) a member of the Council not being a person employed by the College;
(c) one member of the academic staff nominated by the Academic Board.

Notification of decisions

37. The Committee shall inform the Council whether the grievance is or is not well-found and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit.
