The Chair thanked them for their substantial contribution to Council and the College and wished them well for the future.

2. MINUTES
AGREEED with one change to M16/112 the minutes of the meeting held on 11 May 2016 (M16/72- M16/129) and NOTED the signed extract from the minutes confirming the second resolution of the Statutes for Privy Council.

3. MATTERS ARISING FROM THE MINUTES
NOTED the appointment of the Secretary to Council, Dr David Ashton from the University of Surrey, with effect from 26 September 2016 and formally taking over formal responsibility on 10 October 2016. The full title of the post was Chief Operating Officer and Secretary to Council.

NOTED that the Statutes were with the Privy Council for formal approval and two issues had been raised and addressed:

- That Council terms of office, two terms of five year each, were longer than the current norm in the sector of three terms of three years or two terms of four years. The response that this allowed these external members to become experienced and make valuable contributions was accepted and the terms of office will remain at two terms of five years.
- A minor amendment, in line with Charity Commission guidance, to include a definition of a meeting that would read "In this [constitution] the expression ‘meeting’ includes, except where inconsistent with any legal obligation:
  - a physical meeting
  - [a video conference, an internet video facility or similar electronic method allowing simultaneous visual and audio participation], and
  - [telephone conferencing]"

APPROVED the amendment to include the definition of a meeting.

NOTED with reference to M16/88/89 that the University of London was progressing with a private bill to change its membership rules that would enable the Colleges of the University to apply for University title in their own right. Academic Board had been consulted and were supportive.

REQUIRED a proposal would be brought to the October meeting of Council.

4. REGISTER OF INTEREST
NOTED that Professor Liz Schafer, Equalities Officer of the UCU, and Mr John Brannan, committee member and senior representative of the GMB Union, were involved in the negotiations of the Redundancy Policy (Item 16.1) and the Capability Policy (Item 16.2).

5. UNSTARRED OF ITEMS
None

PART A: MAJOR ITEMS OF BUSINESS

6. STUDENTS UNION
6.1 NOTED the annual report of Students’ Union activities (CL/16/33).

6.1a RECEIVED the Students’ Union Constitution and NOTED the consultation with students undertaken in the development process. The Constitution increased the membership of the Board of Trustees and an invitation would be made to independent members of Council for nominations.
NOTED the presentation of the Students’ Union strategy and the Chair thanked Nayab Cheema, SU President, Brianna Middleton-Macpherson, Co-President (Societies and Media), and Tom Flynn, Chief Executive SURHUL, for their excellent presentation.

7. **PRINCIPAL’S REPORT**

RECEIVED a report from the Principal (CL/16/34) focussed on the College’s strategic plan, adopted by Council in 2013. The report set out the key issues that impact the plan, along with general progress and matters of interest to Council members.

NOTED the impact of the EU referendum and the higher education environment and that a review of Brexit contingency plans had been started. The most immediate threat was to EU student recruitment over this summer and communicating with current and prospective students to provide reassurance had been a priority. Concerns about exchange rate volatility from international students beyond the EU were leading to the development of, schemes to provide greater certainty by locking in favourable exchange rates.

NOTED that in view of the changing priorities for the College a review of the senior management structure and main management committees had been commissioned and undertaken by PA Consulting. NOTED the key principles recommended in the report and that the report would form the basis of detailed discussions around possible role changes. Council would be asked to formally approve changes to the management structure in due course.

NOTED the tabled paper of additional strategic risks being considered for inclusion in the College Strategic Risk Register that would be received by Council at the November meeting. Three risks were identified: the risk of Brexit, uncertainty around the new regulatory framework and HR operations.

AGREED that Council should participate in the London Higher Board Apprentice initiative aimed at tackling the lack of diversity on governing bodies and would involve an apprentice, selected by the proper due process, attending Council meetings and shadowing an independent member for a year.

8. **LEAGUE TABLES**

NOTED the report of league table analysis (CL/16/35) and it was a real concern that, whilst some of the College’s metric scores were improving, those of our competitors were improving faster resulting in a fall in the College rankings. A management working group had been set up to investigate how to improve league table performance and it was also noted that further changes would result from the introduction of the Teaching Excellence framework (TEF).

DISCUSSED the growth in “Good Honours” across the sector and assessment allowing this to be achieved alongside concern for grade inflation. There was a need for some fundamental change to address the issues, an evaluation of where College wanted to be and how much it would cost to get there, to develop a strategic response and clearly understand the levers that affect the results.

REQUIRED an update report at the October meeting and a full report for the November meeting.

9. **COLLEGE STRATEGY**

RECEIVED an update on the College Strategy (CL/16/36) in light of significant recent changes to the HE environment. Five areas of institutional challenge and response were identified.
REQUIRED further work to provide more detail to identify what would be different as a result of the planned actions and the timescales involved and provide a clear vision for the future of the College.

10. **THE HIGHER EDUCATION WHITE PAPER AND TEACHING EXCELLENCE FRAMEWORK**
RECEIVED a summary of the key areas of the Higher Education White Paper and an overview of the Teaching Assessment Framework (CL/16/37). An initial assessment was provided of Royal Holloway’s performance against the TEF core metrics in addition to an outline of preparations for Royal Holloway’s TEF submission in Autumn 2016

REQUIRED that as a result of the white paper and draft bill Council would have responsibility for the oversight of the quality of teaching and research. A small working group led by Co-Chairs David Spence and David Gilbert would consider how to approach the governance of this area and would report with proposals to Council in the Autumn.

11. **THE ESTATES PROGRAMME**
11.1 NOTED the update on major projects (CL/16/38) and that the Boiler House and Founder’s Entrance projects were underway. Infrastructure work for the Science Building project had been nearly completed and the design for the building had moved forwards, detailed plans had been submitted to Runnymede Borough Council for approval. It was expected that the detailed investment case for the building would come to CPAC and Council for approval in the autumn

11.2 NOTED the completion of the purchase of the 14.5 acre site Rusham Park (CL/16/39) adjacent to the College campus for £20m excluding VAT. In line with the conditions of sale, the majority of the Rusham Park campus would be leased back to P&G for up to 5 years and the remainder would be leased to Coty for up to 3 years. The combined annual rental for the two lease agreements was £1.28 million. Royal Holloway would be responsible as landlord for managing the estate and the facilities within the common areas of the site with all costs met by the tenants. An external management company was in process of being procured to provide the services from September 2016 and a staff member was being appointed to act as the point of liaison. Once P&G and Coty leave the site it would be the intention to seek replacement tenants.

NOTED that the purchase of Rusham Park was a strategic long term investment for future custodians of the College to evolve its use. The immediate focus for the development of the estate is in line with the current Master Plan approved by Runnymede Borough Council. In light of the intention not to occupy Rusham Park for the foreseeable future, HMRC have been informed of the opt to tax in order to recover £4m VAT on the initial purchase of the site and the VAT on the service charge arrangements from tenants.

12. **BUILDING NAMING**
AGREED the shortlist of approved names for the Library and Student Services Building (CL/16/40). A recommendation would be presented to Council at the November meeting following consultation with students, staff and alumni during the autumn 2016 term.

13. **FINANCE**
13.1 RECEIVED the Financial Plan update including the forecast 2015/16, College budget 2016/17, and the five year financial plan to 2020/21 (CL/16/41)
NOTED that the papers had been prepared on the assumption of a referendum vote to “remain” in the European Union and the implications of the “leave” outcome on the financial plan would require further consideration. The papers had been thoroughly scrutinised and recommended to Council by the Finance Committee.

NOTED the financial KPI’s in the context of the sector and the 2015/16 forecast surplus in the range of £7.5m - £11.0m. The forecast surplus for the year was £8.7m whereas the year to date surplus at the end of period 9 was £7.2m. Extrapolating forward would indicate a surplus for the year of £9.6m but in the final quarter there were other factors to take into consideration which informed the present forecast.

NOTED the budget surplus for 2016/17 was £5.0m compared to the 2015/16 forecast of £8.7m and the summary of income and expenditure for 2016/17. Income was £168.4m, an increase of £5.5m (+3.4%) whilst expenditure was rising by £9.4m (6.1%) to £163.7m reducing the surplus by £3.7m.

NOTED that the HEFCE forecast would be submitted for the first time in accordance with FRS102 and this required that the 2014/15 figures and forecast for subsequent years be restated. Finalisation of the HEFCE return (due end July) was work in progress and it was AGREED to delegate to Finance Committee responsibility to sign off the final five year plan for submission to HEFCE.

13.2 APPROVED the new accounting policies for FRS102 (CL/16/42) recommended to Council by the Finance and Audit and Compliance Committees.

13.3 APPROVED the Financial Regulations (CL/16/43) subject to amendment of the College Secretary to reflect the new title and to sequential numbering of paragraphs in the document.

AGREED to proceed first to appoint a Vice Chair in a process that would be led by the Chair of Council who would seek expressions of interest from members of Council. A small selection team would be set up and a nomination would be brought to Council early in 2016/17. Consideration of the respective roles of the Chair and Vice Chair of Council would follow the selection of the Vice Chair.

15.2 APPROVED appointments of independent members to Council and Committees (CL/16/47):

- David Williams, currently a co-opted member of the Finance Committee, appointed to a first term of office from 1 August 2016- 31 July 2021.

• **Research Ethics Committee:**
  One vacancy from 1 August 2016 resulting from the retirement of Paul Blagbrough.

15.3 NOTED the outcome of staff elections (CL/14/48) and, as only one nomination had been received following the call for nominations, APPROVED the appointment of Denise Keable, elected to a casual vacancy from 2 October 2015, to a first term of office from 1 October 2016 ending 30 September 2019 as a non-academic staff member of Council.

NOTED that under the new Statutes the position on Council of the academic staff member elected by Academic Board would become one elected by all Academic teaching staff. As an exceptional arrangement and not wishing to pre-empt the introduction of new Statutes it would not be possible to conduct an election in time for the first meeting of the academic year and it was therefore agreed that David Gilbert may continue for one or two meetings of the next year.
