

Senior Student's Internal Correspondence, dated 27 May 1930
Catalogue reference: RHC/AS/161/4 letter 85
Transcript:

Dear Miss Baddeley,

I am confident that the students of R.H.C are quite as solicitous as the Principal with regard to the reputation of the College in the eyes of its neighbours; and I do not think that its present reputation for neatness and attractive appearance is at all likely to be impaired if the students are left to judge for themselves when to wear, and when not to wear, hats.

Yours sincerely,

E. C. Higgins.
