1. Introduction to the College and your Department

1.1 Welcome

Welcome to Royal Holloway! Royal Holloway, University of London (hereafter the College) is one of the UK’s leading research-intensive universities, with twenty-one academic departments spanning the arts and humanities, social sciences and sciences.

The College combines world-class research with a truly global perspective while at the same time offering a campus and community with an intimate human scale. As a student studying toward a research degree with the College, you will have the opportunity to learn from internationally renowned academics and researchers.

During the course of your time with the College, you will pursue independent research in your academic department. The College offers a number of research degree programmes, including Master of Arts by Research, Master of Science by Research, Master of Philosophy (MPhil), Doctor of Philosophy (PhD), Doctor of Clinical Psychology (DClinPsy), Doctorate in Professional Studies (DPS) and Doctorate in Medicine (MD). Your successful progress will depend primarily on your own efforts, supported by your supervisors, but also by the research environment in your department and the quality of the research training you receive.

This handbook deals with aspects of research degree study that specifically relates to your Department. This should be read in conjunction with additional College documents as follows:

- The **Code of Practice for Research Degree Students and Supervisors** sets out good practice alongside additional information on policies and procedures that support the standards and expectations of the College. The Code is available via the Academic Quality and Policy Office (AQPO) webpage [https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx](https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx).

- The **Research Degree Regulations** set out the various standards that shape the regulatory framework of your research degree with the College. This includes a variety of essential information, ranging from admissions to academic progression and examination. The Regulations are available from AQPO via [https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx](https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx).

- The **Doctoral School** offers a range of information and advice to research degree students on subjects such as fees and funding or changes to your registration status. The Doctoral School website is a key repository for this information and will provide you with easy access to a variety of documentation and guidance that you may need during your studies [https://www.royalholloway.ac.uk/iquad/doctoralschool/homepage.aspx](https://www.royalholloway.ac.uk/iquad/doctoralschool/homepage.aspx).
1.2 Your registration status

Your registration status as a research degree student may change through the course of your studies with the College. For example, students who wish to study toward registration on a PhD are initially registered for an MPhil degree. Additionally, you may also elect to alter your mode of study from full-time to part-time or vice-versa.

You should consult the *Research Degree Regulations*, in the first instance, for further information on the College’s criteria for changes to registration status. The *Regulations* also contain important information on the timeframes within which the College expects students to complete the upgrade from MPhil to PhD as well as the required timeframe for completion of the degree itself.

1.3 How to find your Department

YOUR DEPARTMENT CAN BE FOUND ON THE COLLEGE CAMPUS MAP BELOW. The School of Law is based in the Arts Building, number 16

1.4 Map of the Egham campus

Please note, student parking is very limited and a parking permit is required, which can be obtained via Security. You will need proof of insurance and a suitable form of photographic ID before a permit will be issued.

#### 1.6 Your Department

The Department allocates each PGR student a supervisory team usually made up of two co-supervisors with relevant research interests and expertise and an advisor. The advisor often sits on the student’s upgrade panel and attends his/her annual review.

If you have any queries about your studies or the resources available to research students in the department please raise these with your supervisor in the first instance. If they are unable to help please contact the Director of Graduate Study, Professor Jonathan Gabe.

#### 1.7 Research areas within your Department

Detailed information on staff profiles and their interests can be found on the School of Law’s research webpages

https://www.royalholloway.ac.uk/criminologyandsociology/research/home.aspx

#### 1.6 Useful College contacts

- **Library**

The College’s **Library Service** is located in the Emily Wilding Davison Building. **The Founder’s Library** (Languages, Literatures, Cinema, Theatre, Fine Arts and Music) is located within the Founder’s Building, which is also home to the Archives service and collections which provide access to unique papers and materials relating to the history and development of the College. **The Bedford Library** houses resources for management, economics, law, science, social sciences and history.

Phone: 01784 443823  
Email: library@rhul.ac.uk  
Website: https://www.royalholloway.ac.uk/library/home.aspx
## Student Services

The **Student Services Centre** is located in the Windsor Building and provides a single point of contact for all non-academic related queries including accommodation, fees and funding, enrolment and graduation. For further details please visit [http://www.royalholloway.ac.uk/ssc](http://www.royalholloway.ac.uk/ssc).

**Phone:** 01784 276641  
**Email:** student-enquiries@royalholloway.ac.uk  
**Website:** [https://www.royalholloway.ac.uk/ecampus/studentservicescentre/home.aspx](https://www.royalholloway.ac.uk/ecampus/studentservicescentre/home.aspx)

## Student Administration

Student Administration manage and facilitate a variety of the College’s core academic functions, from examinations, results and course registrations right through to the processing of final results and producing proof of study documents. This includes the administration for all research degree examinations within the College.

You should find all the information you need regarding examinations, assessments and research degrees on their webpages here [http://www.students.royalholloway.ac.uk/study/exams-assessments-and-results/](http://www.students.royalholloway.ac.uk/study/exams-assessments-and-results/) and they can also be contacted via their details below.

**Email:** researchdegrees@royalholloway.ac.uk  
**Website:** [https://www.royalholloway.ac.uk/restricted/contensis/exams/studentadministration/home.aspx](https://www.royalholloway.ac.uk/restricted/contensis/exams/studentadministration/home.aspx)

## Key Information and Services

### Support & Advisory Services (Welfare and Wellbeing)

**Phone:** 01784 443394  
**Email:** welfare@royalholloway.ac.uk  
**Website:** [https://www.royalholloway.ac.uk/ecampus/welfare/home.aspx](https://www.royalholloway.ac.uk/ecampus/welfare/home.aspx)

### SURHUL Advice and Support Centre

**Phone:** 01784 246700  
**Email:** advice@su.rhul.ac.uk  
**Website:** [http://www.su.rhul.ac.uk/advice/](http://www.su.rhul.ac.uk/advice/)

## 2.1 Students’ Union Royal Holloway University of London (SURHUL)

The **Students’ Union Royal Holloway University of London (SURHUL)** is a registered charity (Registered No: 1141998) and actively represents the students of Royal Holloway University of
London.

SURHUL is led by sabbatical officers and Executive Officers who work alongside a team of permanent staff. SURHUL promotes your needs and interests by offering employment, participation, entertainment, support & advice, your clubs & societies, catering, transport, volunteering, campaigning and advocacy. All of which complement your academic study, ensuring that your University experience is the best that it can be. For further information please refer to their website at http://www.su.rhul.ac.uk/about/.

2.2 Your College Email Account

The College provides an email address for you free of charge and stores the address in a College email directory (the Global Address List). Your account is easily accessible, both on and off campus, via the Student Portal https://campus-connect.royalholloway.ac.uk/cp/home/displaylogin (Campus Connect) or direct via Outlook.com http://outlook.com/. It is essential to note that this email account will be used for all routine correspondence and news from the College and its departments and services. Your College email will very likely also be used for urgent communication, including correspondence from your supervisors, or to give or confirm instructions or information related to teaching so it is vital that you check your emails regularly.

In the event that you would prefer to use a commercial email service you are able to connect your College email account so that it automatically forwards any messages you receive. You can find detailed instructions on how to forward mail by visiting http://help.outlook.com/ and searching for ‘forwarding’. In the event that you experience any problems, please contact the IT Service Desk.

2.3 Post

All post addressed to you in your Department will be delivered to student pigeonholes (alphabetical by surname) in the ABF 17. At the end of each term student pigeonholes are cleared of accumulated mail, so please try to ensure you check it at regular intervals. Please also note, Registry, among other professional services within the College, will often send correspondence by internal post and your Supervisor(s) may also return work to you via the pigeonholes.

2.4 Telephone and postal address

It is imperative that the College has the most up-to-date contact details for you. As such, please ensure that you update your telephone number (mobile and landline) and postal address (term-time and forwarding) as quickly as possible when they are changed via the Student Portal (Campus Connect) https://campus-connect.royalholloway.ac.uk/cp/home/displaylogin.

Please note, it is the policy of the College that staff are not permitted to disclose or share your information, including your contact details, with anybody else (including parents, relatives or fellow students) without your prior written permission to release this information. For further information please refer to the Information Compliance webpage via https://www.royalholloway.ac.uk/aboutus/governancematters/accesstoinformation/home.aspx.

2.5 IT Services
The College IT Service Desk [https://www.royalholloway.ac.uk/it/home.aspx](https://www.royalholloway.ac.uk/it/home.aspx) offers a range of support covering all aspects of IT services, such as email access, connecting to the College’s wireless network, connecting devices such as iPads and making use of College printing facilities.

The IT Service Desk will also be able to provide expert advice and guidance on a range of more specific IT issues, should you experience any problems. They also offer a range of free software, including Microsoft 365, NVivo and SPSS. For more information visit their website at [https://www.royalholloway.ac.uk/it/studentpurchasing.aspx](https://www.royalholloway.ac.uk/it/studentpurchasing.aspx).

### 2.6 Withdrawal of visa

If you are in receipt of a Tier-4 Student Visa sponsored by Royal Holloway, it is a requirement of your Visa that you attend classes and supervisory sessions and complete assessments. This is also a requirement of the College’s academic regulations.

The College has a legal responsibility to report any student admitted to the College on a student visa who does not appear to be meeting the attendance requirements to UK Visas and Immigration (UKVI). Therefore if you fail to meet UKVI visa requirements and/ or fail to respond to informal and formal warnings from the College in this regard you could have your sponsorship withdrawn, your Visa cancelled and your registration with the College terminated. The termination of registration due to a breach in Visa requirements is conducted independently of the College’s formal warning process and the decision is not open to appeal.

Further information on visa and immigration information for current students is available from Student Services via [https://www.royalholloway.ac.uk/ecampus/studentservicescentre/visas/home.aspx](https://www.royalholloway.ac.uk/ecampus/studentservicescentre/visas/home.aspx).

### 3 Annual review and upgrade

Although you will meet with your supervisor regularly during the academic year, your academic progress is formally reviewed at least once every twelve months, unless you have interrupted your studies, in which case the review will take place not more than two months after you have formally resumed your studies.

Annual reviews, and upgrades for students registered for an MPhil/ PhD, are conducted in a face-to-face meeting between you and a panel. As a minimum, your annual review will be conducted with at least one member of your supervisory team present plus one member of staff who is completely independent of your supervisory team. Where you are undertaking a review for the purpose of upgrading your degree to PhD, your panel will include a minimum of three members, with at least one member of your supervisory team and one member of staff who is completely independent of your supervisory team in attendance. A member of your panel may be present via video conferencing, with your prior agreement, in cases where there are extenuating circumstances that mean they are unable to be present in person.

It is important to remember that the upgrade from MPhil to PhD is not an automatic right. In the majority of cases a panel will indicate that they are satisfied with a student's progress. In some cases, however, the panel may feel that the work presented does not meet the required standard for doctoral research. In such cases, the panel will likely decide not to permit the student to upgrade.

In the event that your first attempt to upgrade from MPhil to PhD is unsuccessful, your panel may
permit you to have a second and final attempt which must take place within twenty-four months of full-time study or forty-eight months of part-time study. These periods are defined in line with the College’s Research Degree Regulations available online via http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx.

At the end of your annual review/upgrade meeting your panel will fill in a Research Degree Student Review - Annual Review Form or Research Degree Student Review - Upgrade Form. This will detail the outcome of your review/upgrade and will provide you with an opportunity to add your own comments. Further information on annual reviews and upgrades along with the relevant forms is available online via http://www.royalholloway.ac.uk/ecampus/academicsupport/examinations/researchdegrees/upgrades.aspx.

3.1 Research Degree Student Deadlines

If you want the annual review or upgrade Panel to be made aware of extenuating circumstances that have affected your study you should submit your statement and supporting evidence to the Panel Chair within the deadline set by the department/school for the submission of material for the upgrade or review.

In the case of circumstances relating only to your performance at an upgrade or review meeting or the oral examination (viva), you should inform the panel members or examiners of the circumstances prior to the meeting or oral examination and submit the statement and supporting evidence within seven days to your department in the case of upgrade/review meetings and Student Administration (researchdegrees@rhul.ac.uk) in the case of an oral examination. You must submit the request in writing and ensure it is accompanied by appropriate supporting evidence, in line with the Instructions to Candidates available online via https://www.royalholloway.ac.uk/ecampus/academicsupport/examinations/examinations/home.aspx.

3.2 Your department’s annual review and upgrade process

Although you will meet regularly with your supervisor during the academic year, your academic progress is formally reviewed at least once every 12 months, unless you have interrupted your studies, in which case the review will take place not more than two months after you have formally resumed your studies.

Annual reviews and upgrades are conducted in a face-to-face meeting between you and a panel consisting of your supervisor(s), adviser and at least one other academic from outside the supervisory team.

Towards the end of each year of study, you will be required to produce a short written report (about 500 words) for your annual review on the research that you have done during the year, the research training that you have undertaken, seminars you have attended, conferences you have read a paper to, etc., as well as your plans for the coming year. This report will be discussed orally at a meeting that your Supervisor will arrange. Your Supervisor will be present, as will your Adviser and perhaps another member of staff, who will collectively pronounce your progress during the year as either ‘satisfactory’ or ‘unsatisfactory’ (if the latter, they will specify what remedial action you need to take).

This meeting is also an opportunity for you to discuss any anxieties you may have about the progress of your thesis (see also the section: Communication and Student Feedback).
Please note that the review of Ph.D. students who should be nearing completion – i.e. approaching the end of the third year of work for a Ph.D. (fifth year for part-timers) – will be especially searching.

The deadline by which students should submit any extenuating circumstances that may be affecting their performance more generally is two weeks before the arranged meeting date and in particular at the upgrade meeting within two weeks after the meeting.

At the end of the annual review/ upgrade meeting the panel will fill in a Research Degree Student Review - Annual Review Form or Research Degree Student Review - Upgrade Form, which will be signed by panel members present at the review/upgrade, and will provide details of the outcome of this meeting.

https://www.royalholloway.ac.uk/ecampus/academicsupport/examinations/researchdegrees/upgrades.aspx

You will be given an opportunity to fill in comments at the end of the form, should you so wish.

In most cases the panel will indicate that they are satisfied with a student’s progress and may also confirm that the student has successfully upgraded from MPhil to PhD, where relevant. However, in some cases the panel may feel that the work presented is not of the required standard. In the case of an upgrade, the panel may decide not to permit the student to upgrade at that time. Where work presented is unsatisfactory, details of the problems and the course of action to be taken will be noted in the Research Degree Student Review Form. Additionally, the panel may decide that it is necessary to issue a formal warning. Details of the formal warning process, which could lead to termination of registration, are outlined in the Research Degree Regulations in the section regarding Termination of registration.

https://www.royalholloway.ac.uk/ecampus/academicsupport/formalwarnings/formalwarnings.aspx

If you fail to upgrade from MPhil to PhD on the first attempt, the panel may permit you to have a second and final attempt, which must take place before the end of 24 months for full-time study or 48 months of part-time study.

Full details of the regulations governing the annual review and upgrade process are outlined in the Research Degree Regulations in the section on Reviews of academic progress.

https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx

4 Interrupting your studies

The College’s Research Degree Regulations permit you to interrupt your studies for up to twenty-four months (whether consecutively or otherwise) on financial, medical or personal grounds on the recommendation of your supervisor and Director of Graduate Studies. Any period of interruption will only normally be permitted on exceptional grounds and must be approved by the College Board of Examiners Executive Committee (CBEEC). Students are also entitled to request an interruption of studies for reasons of maternity, paternity or adoption leave.

In the first instance, please contact your department to discuss your interruption of studies. A request for interruption of studies must be submitted online on your behalf by your department using the required form via
It is essential that adequate supporting evidence is submitted with the request. For further information on supporting evidence, please refer to Appendix B of the College’s guidance notes available online via https://www.royalholloway.ac.uk/ecampus/documents/pdf/exams/extenuatingcircumstances-guidanceforstudents.pdf. If you are still uncertain what evidence is suitable, please contact researchdegrees@royalholloway.ac.uk for advice. Where applications are submitted that lack adequate supporting evidence, it is very likely that they will be denied or subject to significant delays. The request will be sent to the Vice-Principal (Education) for consideration on behalf of the CBEEC and you will be informed whether the request has been approved or not.

It is essential that you contact your supervisor or department at the very earliest possibility, should you find that you require a period of interruption to your studies. Please note, a back-dated (or retrospective) interruption will only be considered on the most exceptional grounds and in cases where the interruption sought is for a very limited period.

4.1 Interruptions for students who are sponsored by the College on a Tier 4 visa

If you interrupt your studies and you are in receipt of a Tier-4 Student Visa sponsored by Royal Holloway, the College will withdraw its sponsorship for the duration of your interruption and you are obliged by the Home Office to leave the UK for this period. Before you return from interruption, you will need to apply for a new visa. For further information on this process please refer to the Student Services webpage at https://www.royalholloway.ac.uk/ecampus/studentservicescentre/visas/home.aspx.

In exceptional circumstances, and if your interruption is for a period less than sixty days, you may be permitted to remain in the UK during the period of interruption. To discuss the possibility of this 'authorised absence', please contact student-administration@royalholloway.ac.uk.

4.2 Interruptions for students funded by a Research Council or College Scholarship

It is essential that, prior to requesting the interruption, you check with your funding body whether the conditions of your scholarship permit you to interrupt your studies. For advice about this, please contact scholarshipadministration@royalholloway.ac.uk.

If you are funded by a Research Council and would like to request maternity leave or short term (up to 13 weeks) sick leave, please click to refer to the Doctoral School webpage for further information https://www.royalholloway.ac.uk/iquad/doctormalschool/support/interruptionsforrcukstudents.aspx.

4.3 Your thesis deadline and status during an interruption of studies

If your interruption request is approved, your period of interruption will be added on to your thesis submission deadline (e.g. a student with a 22 September 2018 deadline who interrupts for 6 months would now have a new submission deadline of 22 March 2019). Please note, exceptions do apply where you are funded by a Research Council as below:

- Although the thesis submission deadline set by the College may be extended, it may not be extended by your Research Council. In such cases, the Research Council deadline takes precedence. If you have queries regarding this, please contact scholarshipadministration@royalholloway.ac.uk.
If you have requested up to 13 weeks sick leave, your thesis submission deadline will not be affected by this period of leave.

During the course of your interruption of studies you remain a registered student with the College and are subject to College Regulations. Unless you are interrupting your studies on the grounds of maternity, paternity or adoption, or in exceptional circumstances relating to mental health conditions, you do not have the right to use College facilities or receive supervision during the period of interruption, other than occasional access to your supervisor by arrangement.

5 Submission of your thesis and your viva

As the thesis is nearing completion you will need to submit a formal entry to the final examination to the Student Administration Office. Full details on entry for the examination (or re-entry in the case of resubmissions), submission and examination of the thesis are available on Examinations webpage for Research Degree students [http://www.royalholloway.ac.uk/ecampus/academicsupport/examinations/researchdegrees/students.aspx](http://www.royalholloway.ac.uk/ecampus/academicsupport/examinations/researchdegrees/students.aspx). Students should also consult the Research Degree Regulations for further details about, for example, the requirements of the thesis (word length), the conduct of the final examination, and possible outcomes of the examination [http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx](http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx).

5.1 Departmental guidance on your thesis and viva

In terms of word length you should be aware that College regulations stipulate a maximum length for MPhil and PhD theses. If you exceed the word length stated in the Regulations or produce a thesis that is deemed to be too short, the examiners may refer the thesis for resubmission requiring it to be shortened to meet the word length requirement or extended to include more content, respectively.

The end product of your labours will be an extended piece of writing, either an M.Phil. or a Ph.D. thesis. All students register for the M.Phil degree to start with, with many, but not all, transferring to Ph.D. after 18 months (or 36 month for part-time students). The M.Phil is, however, a valued degree in its own right and should not be seen as a failed Ph.D.

In the research for your thesis, and in writing it up, your primary contact is your Supervisor. You will also have an Adviser. Please become thoroughly familiar with the sections in the Code of Practice for the welfare of postgraduate research students, on the responsibilities of the Supervisor and Adviser – and, not least, of you, the student (Sections 4-15). You have overall responsibility for the timely and successful completion of your thesis.

You should therefore also familiarise yourself with what the Code of Practice says about the nature of the M.Phil. and Ph.D., the minimum periods for registration, and the scope and word length of each (all in the Introduction to the Code).

Those word lengths are: M.Phil. 60,000, Ph.D. 100,000. In each case the total includes footnotes, but excludes the bibliography and any factual appendices – supporting data, tables, transcriptions, etc. (Such factual appendices are the only ones allowed.)

When you are starting out, that will seem an impossibly large amount to write. When you are nearing completion it will seem much too short. Many students find that they cannot say all that they want to say in the space available. The final thesis is very much the ‘tip of the iceberg’ of what
your research will have uncovered. And it does not need not be your final word on the subject.

Both the College and the Funding Councils agree that a Ph.D. thesis should represent what can reasonably be expected of three or at most four years of full-time study (or the part-time equivalent). For the M.Phil it is two or at most three years. It is therefore expected that students will normally complete their writing within three years (Ph.D.) or two years (M.Phil.).

You should keep this timetable in mind as you plan your research. In consultation with your Supervisor, you will first have decided on a broad area of interest. You will then have narrowed it down to a particular aspect of your topic or a single research question. This focus of your work must be one that can be satisfactorily addressed (1) at the right word length, (2) from the evidence available to you, (3) within the University’s normal time limits. All three have to be right.

The refinement of your topic so that it is manageable is your responsibility. Your Supervisor will offer plentiful advice about evidence and methods, whether anyone else is working on a similar theme, and so forth. But the Supervisor cannot guarantee the uniqueness or the viability of your project.

With all this in mind, the Department offers the following strategy for the normal production of a Ph.D. thesis by full-time students (an M.Phil. thesis is shorter, will have fewer chapters, and the timetable should be correspondingly condensed) and the electronic submission of the final PhD thesis

In order for your research degree to be awarded, an electronic version of your PhD thesis needs to be submitted to the College’s research information system, Pure. The College strongly recommends that you check the details of these requirements well in advance of submission as they contain important information on copyright and Open Access

https://www.royalholloway.ac.uk/research/puresupport/ethesis/ethesis.aspx

5.2 Random submission of theses to Turnitin

To help deter plagiarism, it is College policy to select a random sample of final research degree theses for submission to the plagiarism detection software, Turnitin, before the examination process is initiated. Exemptions are in place for theses covered by commercial confidentiality agreements. Turnitin reports are reviewed by the Director of Graduate studies in your department. Should concerns be raised you will be notified by the department.

6 Preparation for the final examination

The College offers viva training for research student’s final examination with sessions run for students in Arts and Social Sciences, Science and Management, Economics, and Management, and Law. Further information on these courses is available via

https://www.royalholloway.ac.uk/iquad/doctorschool/researcherdevelopmentprogramme/researcherdevelopmentprogrammecourses.aspx. This training is compulsory for research degree students.

6.1 Departmental viva preparation

- ask your Supervisor to arrange a mock viva
- plan concise (2–3 minute) answers to all the obvious general questions you may be asked:
  - How did you select your subject?
  - What overall contribution to scholarship does your thesis make?
What is the state of the secondary literature on and around your subject?

What important topics did you omit for lack of space?
What are the weaknesses of the thesis and how can they be remedied?

• re-read your thesis carefully, noting with ruthless honesty all the points at which it might be vulnerable:
  - gaps in the argument
  - inadequate supporting references
  - obvious objections not considered, etc.

• take an annotated copy of the thesis to the viva
• carefully read any important contributions to your field that have been published since you submitted.
• read your two examiners’ published work to anticipate how they might approach your subject, where your conclusions conflict or chime with their arguments, and so forth.
• ask your Supervisor to try to arrange a venue for the viva that you find congenial. A small windowless basement room may for example have an unpleasant atmosphere – in more senses than one.
• ask your Director of Graduate study to put you in touch, if possible, with a recently ‘viva’d’ former student to talk about their experiences.

You may also care to sample the self-help literature such as Rowena Murray, How to Survive your Viva (Open University, 2003).

7 Special arrangements for the annual review, upgrade or viva

If you have a disability, specific learning difficulty or impairment and wish to ask for reasonable adjustments to be made to the conduct of the final examination (viva) you should consult Section 16 paragraph (10) the Research Degree Regulations http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx for details of how to make such a request. Should you need similar adjustments for your annual review/upgrade meeting, these should be discussed with your supervisor ahead of the meeting so that appropriate arrangements can be made.

8 Research Skills and Training

You should discuss your research skills training needs with your supervisor and adviser soon after you start your research degree and fill out the Research Student Training Log with details of courses that you should attend during the year. Further information and guidance can be found online via https://www.royalholloway.ac.uk/iquad/doctorschool/researchskillstraining/researchskills.aspx.

8.1 Research Development Programme

The College's Researcher Development Programme is series of transferable skills courses designed for research students to help you to develop your skills alongside your research. Some of these courses are specifically designed to help students complete their research degree, while others help develop more general skills and enhance your employability. The programme is structured using the Vitae Researcher Development Framework. For further information please refer to their website at http://www.vitae.ac.uk/researchers/428241/Researcher-Development-Framework.html.
8.2 Departmental Research Activities and Mentoring for Research Students

The Department runs a series of Research Seminar Sessions during the autumn and spring terms. Attendance is compulsory for Postgraduate Research Students and the details can be found in the Admin Office or by emailing the administrator. The Department also runs monthly research workshops at which students present their work in a supportive environment.

Students are also strongly encouraged to present papers relating to their own research at the Department’s Annual Research Day for PhD students and at external conferences. Each new student will be assigned a ‘mentor’, in the form of an existing research student, who will be available to provide support in order to help the student settle in and respond to any day to day research student queries.

8.3 Teaching experience and training

Your Department may be in a position to offer you opportunities to undertake teaching and/or demonstrating opportunities. In the event that you are employed in a lead teaching role you are required to register for the College’s inSTIL programme (Programme in Skills of Teaching to Inspire Learning) [http://www.royalholloway.ac.uk/registry/educational-development/prof-dev/institl-overview.html](http://www.royalholloway.ac.uk/registry/educational-development/prof-dev/institl-overview.html).

If you are teaching as part of a team, you may choose to do this programme but are not required to do so. You must be engaged in teaching at the same time as participating in inSTIL, as teaching observations are an intrinsic element of the programme. The inSTIL programme is worth 15 M level credits and counts as five days towards your skills training objectives. Further details on the programme are available via telephone on +44 (0) 1784 41 6337 or +44 (0) 1784 27 6250 or by contacting Educational Development at edc@rhul.ac.uk.

In the event that you are not engaged in teaching activities but would like to learn more about teaching in higher education, the College offers a series of 'Introduction to Teaching and Learning in Higher Education' workshop. Further information is available online via [https://www.royalholloway.ac.uk/iquad/doctoralschool/researcherdevelopmentprogramme/researc herdevelopmentprogrammecourses.aspx](https://www.royalholloway.ac.uk/iquad/doctoralschool/researcherdevelopmentprogramme/reseacherdevelopmentprogrammecourses.aspx).

9 Academic writing skills

The College offers courses on academic writing, which can count towards your skills training objectives. For further details on these courses and additional support that is available please refer to the Research Skills Training pages at [https://www.royalholloway.ac.uk/iquad/doctoralschool/researchskillstraining/researchskills.aspx](https://www.royalholloway.ac.uk/iquad/doctoralschool/researchskillstraining/researchskills.aspx).

CeDAS will offer you additional support in the event that English is not your first language. These courses do not, however, count towards your training requirements. CeDAS also oversees the Royal Holloway Proofreading Scheme, which enables students to pay for an approved third-party proofreader to identify surface error in final drafts. Please note, the College does not permit the use of paid third-party proofreaders who are not part of this scheme. For further details, please refer to the CeDAS webpage [www.royalholloway.ac.uk/cedas](http://www.royalholloway.ac.uk/cedas).
10 Students in need of support (including disabled students)

The College offers a high level of student welfare support which includes a comprehensive Health Centre, a highly regarded Counselling Service, dedicated educational and disability support, as well as a wealth of financial, career and other advice. Further details of each service can be found on the Help and Support pages at https://www.royalholloway.ac.uk/students/help-support/help-and-support.aspx

If you have a disability or specific learning difficulty, it is important that you bring it to the College’s attention as soon as possible. Your first point of contact for advice and guidance is your Disability & Dyslexia Services (DDS) representative in your Department (details below).

Name: Dr Simon Behrman
Email: simon.behrman@rhul.ac.uk
Phone: 01784414373

Please also contact DDS directly via disability-dyslexia@royalholloway.ac.uk or 01784 276473.

11 Plagiarism and other academic offences

The College takes the issue of plagiarism and other assessment offences extremely seriously. The College defines what constitutes an assessment offence (e.g. plagiarism, collusion, falsification) as well as the procedures to be followed for the investigation of an alleged assessment offence and possible outcomes in the College’s Regulations on Assessment Offences http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx.

12 Appeals and Complaints

In the event that you wish to submit an appeal or a complaint please refer to the Code of Practice for Research Degree Students and Supervisors and the Research Degree Regulations. Both of which are available online via https://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx.

Further information on the College’s appeals and complaints process is available here. https://www.royalholloway.ac.uk/iquad/services/academicqualityandpolicyoffice/home.aspx.

12.1 Appeals

By submitting an academic appeal, you are making a request for a decision made by the College relating to your academic studies or academic progress to be reconsidered. This must be done within 15 working days of the date on which you were formally informed about the decision either through Campus Connect (e.g. for end of year assessment results) or by letter (e.g. annual review, upgrade, final viva examination). This can include reference to a past complaint made and investigated.

Please note, only the following can be investigated through the appeals process:
• The outcome of Boards of Examiners, such as the outcomes of coursework or examinations, academic progression, degree classification or degree award, and termination of registration by the College Board of Examiners. This includes decisions made by an upgrade panel or an MPhil/PhD viva panel.
• Termination of registration on academic grounds through the formal warning procedure
• Penalties applied for examination and assessment offences
• Reconsideration of requests for exam access arrangements
• A decision made by a Fitness to Practise Panel

In the event that you wish to submit an academic appeal, please refer to the AQPO webpages at https://www.royalholloway.ac.uk/ecampus/academicsupport/academicappealsandcollegecomplaints.aspx.

Further information on the appeals process is also available in the Sections 21 and 22 of the Research Degree Regulations. It is essential that you refer to this in the first instance as it outlines the grounds upon which an appeal against an academic decision may be submitted http://www.royalholloway.ac.uk/ecampus/academicsupport/regulations/home.aspx.

12.2 Complaints

A complaint is where, as a result of your experience at the College, you feel dissatisfied about the provision of services or facilities and would like your concerns to be investigated. Your concerns may be investigated under the Complaints Procedure for Students but normally only within three months of the incident or action being complained about.

If you have a complaint relating to any aspect of the Department or its staff or to any academic or College matter, you should first discuss it informally with your Supervisor(s), Advisor, Director of Graduate Studies or another member of staff in the Department as soon as possible. In the majority of cases complaints can be resolved through such an informal route. In those cases where the complaint cannot be resolved in this way, you may want to submit a formal complaint. Full details of how to pursue complaints through both informal and formal routes are set out in the College's College Complaints Procedures for students http://www.royalholloway.ac.uk/ecampus/academicsupport/complaints/complaints.aspx.

Where you have submitted an academic appeal and your grounds for appeal are effectively dependent on the outcome of the complaint, the College may determine that the nature of your appeal requires investigation under the Complaints Procedure first. In this situation your case will be referred to the College Secretary's Office. You will be notified of this and provided with further guidance. Please note, in such cases your appeal investigation will be delayed until the complaint investigation is complete. The College will endeavour to complete these processes as quickly as possible; however, a thorough investigation takes time, so the College strongly advises that you continue to make plans on the basis that your appeal is unsuccessful.

For further information on the complaints process, please refer to the AQPO webpage https://www.royalholloway.ac.uk/ecampus/academicsupport/academicappealsandcollegecomplaints.aspx.

13 Student Charter

The College aims to bring all students into a close, harmonious relationship with each other and with the wider community. The Student Charter outlines how you can support the College in
achieving these goals and also seeks to encourage you to act as an effective ambassador for the College, during your time as a student and later as part of the College's alumni http://www.royalholloway.ac.uk/aboutus/governancematters/studentcharter.aspx.

This Charter is not intended to constitute a binding agreement but is offered as a framework of aspirations, designed to be of benefit primarily to you as a student and to underpin the College's aim of ensuring that you have a highly enjoyable and rewarding experience during the course of your research degree. You can find further information about student life online here http://www.royalholloway.ac.uk/studentlife/home.aspx.

As a research degree student you will also be asked to complete the College's online feedback questionnaire for research degrees. This internal survey is conducted every two years, and is available to complete online from early April until mid-May. It is important that you take the time to complete this questionnaire as it is often a requirement for your annual review or upgrade. Each alternate year, the College also takes part in the national Postgraduate Research Experience Survey (PRES).

14 Library Services, Facilities and Resources

14.1 Computers

There are a total of fourteen open access PC Labs available on campus which you can use, including six in the Computer Centre. For security reasons access to these PC Labs is restricted at night and at weekends by a door entry system operated via your College card. Details of these PC Labs, including access times and maps showing how to get to them can be found under the descriptions http://www.royalholloway.ac.uk/it/servicecatalogue/devices/pclabs.aspx.

14.2 Graduate Spaces

The College offers a number of areas specifically for postgraduates. http://www.royalholloway.ac.uk/studyhere/postgraduate/facilitiesandacademicsupport.aspx.

Below is a list of these spaces together with a brief description of what they offer

- **Emily Wilding Davison Building**, second floor:
The second floor of the new library building contains a dedicated study area for postgraduate students. The building is open for use twenty-four hours a day.

- **International Building Common Room**, room IN030

This room is conveniently placed on campus and within easy reach of most academic buildings and the Students' Union. IN030 offers good computer facilities with seventeen PCs, a DVD/CD ROM burner and scanning/printing facilities. There are also some easy chairs. The room is available for use twenty-four hours a day with a card-swipe/code system for out-of-hour access (code provided by the Computer Centre). Please be aware that some sessions around research skills training may be running in IN030 (dates are advertised).

- **Founders Common Room**, Founders East, second floor, room FE241

Code to enter can be obtained at the Security desk, Founders reception, by showing the College Card (as a way of proving to be a PG student). The Common Room has tables, chairs and sofas. There is also one computer and printer and wireless internet access. The kitchen area includes a fridge, microwave, kettle and toaster with shared cutlery.
• **Arts Building**, second floor, room AS17

Fifteen online PCs DVD/CD ROM with burner Scanning/printing facilities. The room is open to all students (PG and UG) during normal office hours and to Postgraduates and Staff between 7pm and 7am (please obtain code from the Computer Centre).

• **Highfield Common Room**

The room is for those living in postgraduate accommodation on the Highfield site. It can be booked through the reception at Highfield. The room offers easy chairs, TV and video, and food- and drink-vending machines. The room must be vacated by 11pm.

14.3  **The Library**

The Library Service provides access to a variety of resources including books, e-journals, e-books and databases. Details of resources, along with opening times and regulations can be found at [https://www.royalholloway.ac.uk/library/informationforpostgraduates.aspx](https://www.royalholloway.ac.uk/library/informationforpostgraduates.aspx).

The Information Consultant for your Department is Sian Downes who can be contacted at sian.downes@rhul.ac.uk.

If you cannot find the specific items that you require in the libraries, it is possible to order items from other libraries by inter-library loans or to gain access to Senate House Library or other university libraries. You can obtain further information on this here: [https://www.royalholloway.ac.uk/library/usingourlibraries/otherlibraries/using-other-libraries.aspx](https://www.royalholloway.ac.uk/library/usingourlibraries/otherlibraries/using-other-libraries.aspx)

The Library provides a range of training sessions, as well as one to one sessions, designed to enhance your existing library and research skills. These are available in both class-based and self-study formats. For information on available sessions and to book a place, got to: [https://www.royalholloway.ac.uk/library/helpandsupport/researchsupport/researchsupport.aspx](https://www.royalholloway.ac.uk/library/helpandsupport/researchsupport/researchsupport.aspx)

14.4  **Research Support**

The **Research Support Team** in the Library provides support on research information including copyright, Open Access publishing, developing your research information profile and useful services. The team can also provide advice for meeting research funders’ requirements regarding Open Access.

The team works with the Information Consultants to provide support throughout the research information cycle, from researching bids through to searching and accessing information for articles, books and other outputs through to submission of the PhD thesis and future career plans.

Royal Holloway theses are also available via Ethos which is the British Library’s electronic theses service which contains approximately 400 000 records of UK theses including 160,000 available for immediate download of the full text ([http://ethos.bl.uk](http://ethos.bl.uk))

The Team also offers training sessions and are very happy to provide advice. More information and contact details can be found at [https://www.royalholloway.ac.uk/library/researchsupport/researchsupport.aspx](https://www.royalholloway.ac.uk/library/researchsupport/researchsupport.aspx).
You will also have access to the following libraries:

- **Senate House Library** (Malet Street, London, WC1E 7HU. Tel: 020 7862 8461; [http://www.ull.ac.uk](http://www.ull.ac.uk)). This is the central library of the University of London, where you can borrow up to twelve books with a library ticket ([http://www.senatehouselibrary.ac.uk/membership/join/](http://www.senatehouselibrary.ac.uk/membership/join/)) which you can obtain using your RHUL College ID card.

- **The British Library** (96 Euston Road, London, NW1 2DB. Tel: 020 7412 7000; [http://www.bl.uk](http://www.bl.uk)). The British Library is the national collection and holds copies of all books published in the UK and Ireland, alongside an extensive collection from other countries. It also has an impressive collection of medieval and modern manuscripts. A Reader Pass ([http://www.bl.uk/reshelp/inrooms/stp/register/howreg/howtoregister.html](http://www.bl.uk/reshelp/inrooms/stp/register/howreg/howtoregister.html)) will be issued subject to your need to see specific items in the collections. Other libraries or sources may be more appropriate to your research and British Library staff will advise you accordingly. Further information is available online via [http://www.bl.uk/reshelp/inrooms/stp/refteam/refteam.html](http://www.bl.uk/reshelp/inrooms/stp/refteam/refteam.html).

- **SCONUL Access Scheme** Royal Holloway participates in this national university access scheme which allows students to use other university libraries in the UK. Details of the application process can be found at: [https://www.royalholloway.ac.uk/library/usingourlibraries/otherlibraries/sconulaccess.aspx](https://www.royalholloway.ac.uk/library/usingourlibraries/otherlibraries/sconulaccess.aspx)

14.5 **Careers information**

The College has a Careers & Employability Service, housed in the Horton Building, which is open to any student during normal College hours. [http://www.royalholloway.ac.uk/careers/home.aspx](http://www.royalholloway.ac.uk/careers/home.aspx).

15 **Health and Safety Information**

15.1 **Code of practice on harassment for students**

The College is committed to upholding the dignity of the individual and recognises that harassment can be a source of great stress to an individual. Personal harassment can seriously harm working, learning and social conditions and will be regarded and treated seriously. This could include grounds for disciplinary action, and possibly the termination of registration as a student.

The College’s [Code of Practice on Personal Harassment for Students](http://www.royalholloway.ac.uk/ecampus/onlinestudenthandbook.aspx) is available online via [http://www.royalholloway.ac.uk/iquad/services/healthandsafety/policiesandprocedures/loneworking.aspx](http://www.royalholloway.ac.uk/iquad/services/healthandsafety/policiesandprocedures/loneworking.aspx) and should be read in conjunction with **The Student Disciplinary Regulations** and **The Student Complaints Procedure**.

15.2 **Lone working policy and procedures**

The College has a ‘Lone Working Policy and Procedure’ that can be found at [http://www.royalholloway.ac.uk/iquad/services/healthandsafety/policiesandprocedures/loneworking.aspx](http://www.royalholloway.ac.uk/iquad/services/healthandsafety/policiesandprocedures/loneworking.aspx).

The principles and guidance around lone working are often highly applicable to the nature of
postgraduate research and the variety of activities this might involve. As such, awareness and planning around any lone working you may be required to undertake are essential.

Lone working is intended to cover all work proposed to be undertaken alone where the risk to the lone worker may be increased either by the work itself, or by the lack of on-hand support should something go wrong.

Lone working can occur:

- During normal working hours at an isolated location within the normal workplace.
- When working outside of normal working hours.

Under either of these circumstances, the College’s guidance on lone working on campus will apply. Normal working hours are defined as:

**During Academic Terms: Monday – Friday 08:00 – 18.00**  
**Outside of Academic Terms: Monday – Friday 08:00 – 17.00**

Work undertaken at weekends, bank holidays and when the College is closed (i.e. discretionary days) will be considered outside of normal hours.

Any health and safety concerns should be brought to the attention of the Departmental Health and Safety Coordinator or the College Health and Safety Office. It is likely that most activities will take place on College premises. However, the principles contained in the above section will apply to **students undertaking duties off campus**.

16 Equal Opportunities Statement and College Codes of Practice

16.1 Equal opportunities statement

The University of London was established to provide education on the basis of merit above and without regard to race, creed or political belief and was the first university in the United Kingdom to admit women to its degrees. The College is extremely proud to continue this tradition, and to commit itself to equality of opportunity in employment, admissions and in its teaching, learning and research activities.

The College is committed to ensure that;

- all staff, students, applicants for employment or study, visitors and other persons in contact with the College are treated fairly, have equality of opportunity and do not suffer disadvantage on the basis of race, nationality, ethnic origin, gender, age, marital or parental status, dependants, disability, sexual orientation, religion, political belief or social origins
- both existing staff and students, as well as, applicants for employment or admission are treated fairly and individuals are judged solely on merit and by reference to their skills, abilities qualifications, aptitude and potential
- it puts in place appropriate measures to eliminate discrimination and to promote equality of opportunity
• teaching, learning and research are free from all forms of discrimination and continually provide equality of opportunity
• all staff, students and visitors are aware of the Equal Opportunities Statement through College publicity material
• it creates a positive, inclusive atmosphere, based on respect for diversity within the College
• it conforms to all provisions as laid out in legislation promoting equality of opportunity.

17 Forms

All requests for expenditure must be granted prior to the expenditure being made. On the next two pages are the forms you will require for this. Further copies can be obtained from the admin office if required.
