In addition to these mandatory course units, there will be a number of optional course units available during the course of your degree. The following table lists a selection of the optional course units that are likely to be available. Please note that although the College will keep changes to a minimum, new units may be offered or existing units may be withdrawn, for example, in response to a change in staff. You will be informed if any significant changes need to be made.

<td>Other essential costs***</td>
<td>Living costs for your year abroad will vary by country. Typical living costs to consider will be accommodation, food/household items, entertainment, travel, books/equipment and bills (including mobile phone). Students will also need to budget for travel to and from the country of study. Additional costs compared to study in the UK will also depend on personal choices and it is important to research the cost of living before the year commences. Further detail on living costs for year abroad students, by country of study, will be available on our website from January 2016.</td>

*Tuition fees for UK and EU nationals starting a degree in the academic year 2017/18 will be £9,250 for that year. This amount is subject to the UK Parliament approving a change to fee and loan regulations that has been proposed by the UK Government. In the future, should the proposed changes to fee and loan regulations allow it, Royal Holloway reserves the right to increase tuition fees for UK and EU nationals annually. If relevant UK legislation continues to permit it, Royal Holloway will maintain parity between the tuition fees charged to UK and EU students for the duration of their degree studies.

** Royal Holloway reserves the right to increase tuition fees for overseas fee paying students annually. Tuition fees are unlikely to rise more than 5% each year.

For further information on tuition fees please see Royal Holloway’s Terms & Conditions.

***These estimated costs relate to studying this particular degree programme at Royal Holloway. Costs, such as accommodation, food, books and other learning materials and printing etc., have not been included, and further information regarding these can be found on our website.

Section 3 – useful vocabulary

We understand some of the terminology used in this document may be new to you, and may differ from that used by other universities. To help with this, we have provided a brief description for some of the most important terminology:

Degree programme – Also referred to as ‘degree course’ or simply ‘course’, these terms refer to the qualification you will be awarded upon successful completion of your studies.

Course unit – Also referred to as ‘module’, this refers to the individual units you will study each year to complete your degree programme. Undergraduate degrees at Royal Holloway comprise four full units, or a combination of full and half units, to the value of 120 credits per year. Mandatory course units must be taken by every student on the relevant degree programme. Some of these mandatory course units must be passed for progression or a particular degree title. On some degree programmes a certain number of optional course units must be passed for a particular degree title.
**H/EU** – Different categories of students pay different levels of tuition fees. H/EU stands for students with Home or European Union fee status.

**Overseas** – Non-EU students are liable to pay the overseas rate of tuition fees, and are sometimes also referred to as international students.

**Section 4 – contact information**

If you have any further questions, you can contact the Admissions team by email at study@royalholloway.ac.uk.
