(2) Further to the provisions of Section 5 (1), the following criteria shall apply when considering nominations for the appointment of External Examiners. All External Examiners must demonstrate appropriate evidence of:

(a) sufficient standing, credibility and breadth of experiences within their discipline to command the respect of academic peers, and where appropriate, professional peers;

(a) a member of a governing body or committee of the College (i.e. Council) or one of its collaborative partners, or a current member of staff of the College or one of its collaborative partners;

(b) any person currently or previously associated with the College as a student, member of staff, external validator unless a period of at least five years has elapsed since his/her association with the College ceased;

(i) a member of the same department of the same institution as another External Examiner for the same programme.

(4) An External Examiner shall normally be appointed for a continuous period of up to four years, with an exceptional extension of one year to ensure continuity. Where a nominated External Examiner has no previous experience in such a role, the Department will, where possible, appoint a more experienced External as a mentor.

(5) The duties of External Examiners will be:

(a) to comply with the Regulations and Procedures of the College;

(b) to attend any meeting of a Sub-board of Examiners of which s/he is a member held to determine the outcomes of examinations;

(c) to assist in the maintenance of the standard of awards of the College and the University as appropriate, and to help ensure as far as is practicable that the process of assessing students is fair and operated equitably, by:
   (i) advising on whether marking schemes, award assessment schemes and programme content are consistent with national standards;
   (ii) advising on whether marking schemes and methods of assessment are appropriate to the discipline;

(a) to make all arrangements for meetings of the Sub-board, providing members with adequate notice of the meeting (normally at least six months in the case of meetings involving the External Examiner(s));

(b) to determine the distribution of work between examiners and assessors, including External Examiners;

(c) to ensure that examiners and assessors appointed to the Sub-board are provided with the information required to reach sound decisions, in accordance with the procedures described in the College Regulations and the Guidelines for Examiners and Assessors;

(c) the Departmental Student Handbook(s) or Programme Guide(s) and course specifications covering programmes and courses under the Sub-board’s purview;

(d) a schedule for the assessment process, including the dates of meetings and any domestic arrangements;

(e) minutes of the previous year’s Sub-board meetings;

(f) the Departmental Annual Review Report for the previous year;

(g) for new External Examiners, the final report of the outgoing External Examiner.

MEETINGS OF BOARDS OF EXAMINERS

9. Quorum for meetings

(1) The quorum for any meeting of a Sub-board of Examiners shall be the Chair or Deputy Chair, one External Examiner and at least two Internal Examiners. A meeting at which just the quorum membership is present may only take place under exceptional circumstances. All meetings of the Sub-Board of Examiners should normally include as a minimum all Internal Examiners who are convenors of course units being considered, or their nominee.

(2) The quorum for any meeting of a College Board of Examiners will be the Chair and at least three other members. The College Board shall not approve recommendations from Sub-boards of which there is not a representative present at the meeting, but may consider the Sub-Board’s
recommendations and determine conditions to be met before the recommendations can be approved by Chair’s action.

(3) The quorum for any meeting of the College Board of Examiners’ Executive Committee will be the Chair and at least three other members.

10. Conduct of meetings

(1) Meetings of the College Boards of Examiners and the College Board of Examiners’ Executive Committee, and meetings of Sub-boards of Examiners held to determine recommendations on the final outcomes of course assessment and award classification, will take place at times specified in a schedule circulated at the beginning of each academic year by the Director of Academic Services.

(2) Only the following may attend meetings of Boards of Examiners:
   
   (a) appointed members of the Board;
   
   (b) designated administrative staff, including departmental administrators and the Director of Academic Services or his/her representative(s);
   
   (c) the Principal of the College;
   
   (d) Assessors or Assistant Examiners invited by the Chair of a Sub-board under the provisions of Section 6 (4) of these regulations;
   
   (e) inspectors appointed under Act of Parliament for examinations leading to a registrable qualification.

(3) Members of Sub-boards of Examiners shall have the right to see any item of work submitted by a candidate for assessment by the Sub-board.

(4) The Chair shall ensure that a formal and detailed record is kept of the proceedings and lodged with the Director of Academic Services within ten working days.

(5) For meetings of Boards of Examiners held to determine final recommendations on course assessment, award classifications and student progression, the identity of candidates shall be withheld from those present until all decisions have been finalised.

(6) Decisions of Boards of Examiners will be based only on candidates’ work or marks arising thereof and evidence of extenuating circumstances submitted by candidates or found as a result of any investigations into teaching provision or the assessment process conducted by the College or a partner institution in the case of collaborative provision.

(7) Decisions of Boards of Examiners will be arrived at by consensus, or by a majority vote of those members present and eligible to vote (i.e. External Examiners and Internal Examiners). Abstentions will count as votes against the motion. The Chair shall vote only where there is no majority among other members.

(8) Decisions on final awards must be based only on the outcomes of course assessment which have been moderated and confirmed by an External Examiner in accordance with the provisions of

Royal Holloway Regulations on the Conduct of Assessment 2017/18
Section 12 (5) of these regulations, otherwise the decision will be deemed provisional and subject to confirmation by the External Examiner(s) once confirmed marks become available.

(9) Decisions on course and programme outcomes made by College Boards of examiners are final unless a subsequent error in the recording of marks or incorrect application of relevant academic regulations is identified. In such circumstances the College reserves the right to make a revised determination of the course unit, final award and/or progression decisions.

SETTING AND MARKING WORK

11. Setting work

(1) Each Sub-board of Examiners shall convene a sub-committee to be responsible for:

(a) ensuring that examination papers are set as and when required, and that they are both fair and appropriate to the learning outcomes of the course;

(b) ensuring that each examination paper and any associated marking schemes and sample answers are approved by an External Examiner appointed to the Sub-board;

(c) reviewing the potential for overlap between coursework and examination papers likely to be sat by any candidate in the same session and across the period of study;

(d) obtaining copyright clearance as required for material reproduced in question papers;

(e) ensuring the final accuracy of each examination paper;

(f) lodging a copy of each examination paper with the Director of Academic Services;

(g) where appropriate, approving topics for projects, dissertations and presentations, and programmes for recitals and performances.

(2) Sub-boards of Examiners shall draw up marking schemes at levels appropriate to the courses and awards within their purview and make these available to candidates.

(3) Sub-boards of Examiners shall determine who may be present at oral examinations and assessed presentations and performances in line with the Guidelines for Examiners and Assessors. Audio and video recordings of the examination may be made for the sole use of the examiners.

(4) All those involved in the assessment process shall be responsible for maintaining the secrecy of question papers and associated marking schemes until the papers have been worked by the candidates, and for maintaining the security of any work submitted by candidates for assessment.

(5) Where candidates are to be given foresight of the format or content of assessment, including questions in an open-book examination, arrangements must be made to ensure that all candidates have an equal opportunity to access the material at the same time.

(6) It is a condition of the appointment of examiners and assessors that copyright of question papers and any associated materials prepared in relation to the appointment shall rest with the College or in the case of collaborative provision copyright may rest with the partner institution as set out in the institutional contract.
(7) Sub-boards of Examiners shall determine precisely the source materials to be used by candidates during each examination, making clear to candidates whether they must provide the materials themselves or use materials provided by the College or relevant partner institution in the case of collaborative provision, subject to the following conditions:

(a) candidates will not normally be given use of dictionaries to overcome any deficiency in their command of the English language;

(b) Sub-boards shall not commit the College or the partner institution in the case of collaborative provision, to any financial expenditure without the prior approval of the Director of Academic Services;

(c) calculators, where used during formal written papers, must be a model approved by the relevant academic department or in the case of collaborative provision by the partner institution;

(d) candidates should be asked to provide materials only where it is reasonable to expect that they would be able to purchase them.

12. Marking work

(1) The identity of candidates will be withheld from those marking summatively-assessed work so far as is practicable until after the marking process is complete. The Faculty Dean may approve exemptions form this requirement, of which students will be informed.

(2) Work submitted for assessment shall be marked using one of the following methods:

(a) single marking, where the work is marked by one Internal Examiner;

(b) single marking with moderation, where the work is marked in accordance with (2)(a) above, except a second Internal Examiner also marks a sample of the work, which shall include a representative sample from all degree classifications and failed work, in order to ensure consistency with the approved marking scheme;

(c) double marking, where the work is marked by two Internal Examiners, or by an Internal Examiner and an Assessor, who shall together agree a single mark for each piece of work;

(d) blind double marking, where the work is marked in accordance with (2)(c) above, except the second marker shall not have prior sight of the comments of the first marker.

(3) Any piece of work which contributes towards a candidate’s award classification shall normally be assessed using one of the methods outlined in Section 12 (2) (b-d) of these regulations), except in the case of in-course assessments the form or timing of which renders this impractical. Where a student has failed a course unit, substantial pieces (i.e., those which contribute 20% or more to the course unit) of the student’s work in that unit must be double marked. In exceptional circumstances the College Board of Examiners’ Executive Committee may suspend this requirement.

(4) Save in the case of formal oral examinations, presentations or performances, External Examiners will not normally mark work. In exceptional cases, however, an External Examiner will be asked to adjudicate where a first and second marker are unable to agree a single mark for a piece of work, even after reference to a third internal marker.
(5) All final course outcomes shall be moderated by an External Examiner, who shall have regard for matters such as the positioning of candidates at borderlines, the distribution of marks across the cohort and the award of Fail.

(6) In cases where the External Examiner fails to endorse final course outcomes or degree classifications, the matter will be referred to the College Board of Examiners’ Executive Committee.

**PUBLICATION AND CERTIFICATION OF RESULTS**

13. Publication of results

(1) Assessment outcomes will be released to students only after they have been confirmed by the appropriate Board(s) of Examiners, as follows:

(a) each Sub-board of Examiners will publish anonymised lists showing course outcomes (e.g. Pass, Fail), but not percentage results, after its final meeting at which these have been agreed;

(b) the Director of Academic Services will publish anonymised award classification lists after the meeting of the College Board of Examiners at which these have been agreed.

(2) Written confirmation of course outcomes, percentage results, award classifications and field of study may only be issued to candidates individually by the Director of Academic Services.

(3) Save for the exclusions in Section 14 (2) of these regulations, provisional results may be released to third parties, such as funding bodies, employers and other education institutions, if the candidate’s application to that party would be compromised by waiting until the results have been confirmed. In such cases, the third party will be apprised of the need to maintain confidentiality pending final ratification of the results.

14. Certification of results

(1) Subject to the Data Protection Act, services such as the provision of transcripts, references and written notification of results will be withheld for candidates who have tuition or tuition-related debt to the College, the University of London or a partner institution in the case of collaborative provision.

(2) Certificates of award for degrees of the University of London awarded by the College will be issued by the University of London.

(3) Certificates of award for degrees, diplomas and certificates of the College will be issued by the Director of Academic Services. The certificate shall state the name of the College, the title and date of the award, and where appropriate, the classification and field of study, and shall also carry the signature of the Principal.
