* You will need to check with your joint/minor department for the full and correct list of courses that you will need to take with them  
** Your Economics course are fixed and compulsory. You will still need to come in and sign your registration form.  
*** You can take a combination of two half units (15 Credits) or one full unit (30 Credit)- this is subject to the other Department to accepting you. The other department must sign the form and you will need to return the form to us.
