Library provision for disabled students

Wheelchair access to the libraries
Bedford Library has wheelchair access via an automatic door, a lift and a fully accessible toilet. The Founder’s Library has wheelchair access providing a Personal Emergency Evacuation Plan (PEEP) assessment has been completed.

What services are available?
• Enhanced access to LibrarySearch so you can place reservations on available items
• Longer loan periods on all items except short loan and rolling loans (subject to status)
• Cross-site borrowing and returning
• Book fetching service

How do I register?
In order to access these services you will first need to register with the College Disability & Dyslexia Services (ESO): disability-dyslexia@royalholloway.ac.uk. They will then inform the Library and you will receive a letter from the Head of Customer Services inviting you to a meeting to discuss your particular needs.

How can I get help with my research?
If you need help accessing our resources and finding material for your subject please contact your Information Consultant for a one-to-one appointment libguides.rhul.ac.uk/informationconsultants
