How do I view/change My Details on MyView?

**Please Note: It is your responsibility to keep your Personal Details up to date and accurate**

Click on the ‘My Details’ link to access the following Personal Details:

- **Bank/Building Society Details** – here you can view and amend the bank/building society details where you receive your monthly pay. If you update your details using MyView a confirmation email will be sent to you.
- **Addresses & Telephone Numbers** – here you can view and amend the addresses and contact telephone numbers held for you on the Staff System (all fields are amendable).
- **Equal Opportunities Details** – here you can view and amend your marital status, ethnic origin, nationality, sexual orientation, religion and belief, and give details of any disabilities you may have.
- **My Details - personal information** – here you can view your names, date of birth, gender and national insurance number (only ‘Known As’ is amendable).
- **Emergency contacts details** – here you can view and amend the details of people we should contact in an emergency (all fields are amendable).

To make changes to any of the information detailed above you need to click on ‘edit these details’. Once completed, it is important to click on ‘Submit’ rather than ‘Save’. (‘Save’ only saves the changes locally to your computer. ‘Submit’ changes the details held for you on the Staff System).

**Changing your Bank/Building Society Details**

- To change your bank account number you must type your new bank account number in the first ‘Account Number’ field (overtype the **** and 4 digits displayed). Then, type your old bank account number in the confirmation ‘Account Number’ field, as the system checks this number against the details currently stored for you.

- The bank account number must be 8 digits long. Some Lloyds accounts are only 7 digits, in which case you need to prefix the account number with a 0, however if your Lloyds account already has 8 digits, do not prefix it with a 0.
- Any changes made to your bank/building society details between 19th-27th of the month will not be effective until the following month’s payroll - please ensure that
your existing bank/building society account is not closed before the 27th of the month

- Any changes made here will automatically be updated on the College’s Finance System (Agresso) for the purposes of paying expenses claims.
- When changing your bank/building society details please check them thoroughly before submitting them as it is your responsibility to ensure that these details are correct.
- If you do not have a UK bank/building society account please email SelfService-Payroll@rhul.ac.uk
- Click on ‘Submit’ when you have finished.

How do I view my monthly payslips and P60s?

Click on the ‘Payslips and P60s’ link to access these pay documents:

- Payslip Documentation – click either Period; Financial Tax year or Pay Date on the row of the payslip that you want to view, and the payslip will be displayed in a new window. To print, scroll down to the bottom of the payslip and click on ‘Print’. 
If you wish to see a payslip from an earlier year click on View Payslips for and select the year.

Annual Documentation – click on ‘View’ corresponding to the particular year’s P60 you wish to View, and the P60 will be displayed in a new window. To print, scroll down to the bottom of the P60 and click on ‘Print’.

How do I complete a timesheet for the hours I have worked?

Once you have logged into MyView you can access ‘My Timesheets’ from the GoTo button or by scrolling down the page to the ‘My Timesheets’ box and click on the bold text (‘My Timesheets’ or ‘here’)

Select the correct post from the dropdown list at the bottom of the screen and click on ‘Create New Claim’
The timesheet will be displayed showing the job title of the post you selected.

Completing the Timesheet

1. The Description field automatically shows ‘New Claim’. Overtype this with the week commencing date for the timesheet, Monday being the first day of the week (see below).

2. Enter the date of when the hours were worked in the ‘Claim Date’ field. You can either type the date in or pick it from the Date Picker.

3. Enter the number of hours worked in the ‘Amount/Units’ field – this needs to be entered as a digital number e.g. for 5 hours 15 minutes enter 5.25, for 6 and three quarter hours enter 6.75.
4. The rate is picked up from the Staff System and is therefore not shown on the timesheet, and as it is derived it will not be displayed under the 'Rate' column or in the 'Total' fields. Therefore the total and grand total fields will always show as 0.00.

5. To add further rows for claiming hours worked, click on the icon [ + ] at the end of the last row.
