

Awesome self-guided family spring adventures

with Treasure Trails

Royal Holloway, University of London has subsidised an exciting 50% off exclusive promotion for your child's school.

Celebrate the longer days and the easing restrictions with your local themed adventure, turning a regular weekend day-out into a mind-blowing adventure.

There are over 1,000 Trails across the UK for you to choose from and one right near you!

Treasure Trails captivate imaginations, unlocking incredible stories from the past while weaving through hidden back streets. Wrapped up in an immersive, themed adventure, Trailers take on the persona of a secret agent, explorer, or detective. Clues need to be deciphered – all found on features within the environment such as statues and plaques – with the answers leading to a final solution.

There are benefits, such as precious family time spent together, as well as a much-needed digital detox

and physical exercise (Trails average 2 miles). There are also subtle curriculum links through literacy, mathematical and problem solving, as well as learning about the local history.

The Royal Holloway promotion entitles 50% off a Trail. These can either be downloaded as a PDF file and printed at home or sent in the post (small p&p charge applies). This deal is limited to Key Stage 3 families (one Trail per family) up until 6th June 2021.

Treasure Trails have entertained over 2 million people with their Trails and have seen a huge rise in popularity during the last 12 months, given the accessibility when so many other leisure options are unavailable.

Recently featured in The Telegraph and The Guardian, Treasure Trails have a gold award and 4.8* reviews on Facebook.
