LANGUAGES FOR ALL
SYLLABUS SPANISH BEGINNERS I

LEVEL: Beginners I
These classes are for those starting from scratch and those with very limited experience

CLASS DURATION: 2 hours
COURSE DURATION: 10 weeks x 2
TOTAL TUITION HOURS: 40

Complementary and online practice materials will be provided by the tutor in the classes.

COURSE OBJECTIVES: The class will take learners to A1 ‘breakthrough’ level as described in the Common European Framework of Reference for Languages.
By the end of this course, students should feel confident by introducing themselves, describing the place/country where they live, expressing their own and other likes and dislikes, talking about habits, shopping, ordering in restaurants and bars, describing their neighborhood, giving and understanding simple directions, expressing their future intentions and obligations, talking about past experiences, understanding of Hispanic culture.
By the end of the course, students should be able to understand and use the present, present perfect past, structures to express plans/intentions: quiero + infinitive, structures to express needs: tener que + infinitive, reflexive verbs, “valorativos” verbs to express values and judgments or opinions.

COURSE TEACHING: The teaching methodology is centred on developing the four language skills to complete communication: speaking, listening, reading & writing.
Opportunities to practise these skills will be provided during the lessons especially through pair or in group work practices.
There is no assessment involved in this course, but students are encouraged to complete homework tasks.
