School of Business and Management

About the School
The School of Business and Management was founded in 1990. It is a dynamic School bringing together talented students with academic staff who are working at the frontiers of their subjects. Our mission is to enrich lives and careers through research and teaching – we provide an intellectually challenging and relevant education for students intending to pursue managerial, business and professional careers.

Entry requirements
The modules listed below are open to all Study Abroad, International Exchange and Erasmus students, subject to any required previous knowledge or qualifications. Each module is 15 UK credits and starts in either the Autumn Term (September) or the Spring Term (January).

The information contained in the module outlines on the following pages is correct at the time of publication but may be subject to change as part of our policy of continuous improvement and development.
