EVENT PROGRAMME

We are so grateful you could join us this evening. Tonight's concert is a salute to the enduring splendour of big band music – a sound that has travelled gracefully from the dancehalls of the 1940s to the silver screens of Hollywood, and now, improbably, to this lecture theatre – moonlighting for one night only as something rather more glamorous. Our programme promises a journey from the golden age of swing through the sly allure of vaudeville to the heady pulse of funk and Latin. So, grab a glass, sit back, and let the night unfold. This is After Hours: An Evening with The Undergraduated Big Band.
