WHO WE ARE

Conductors' Collective is a society made up of students from across the University, where we learn conducting skills together in a fun, relaxed and creative environment. This term, members of all abilities have improved their skills at working with both orchestral and choral groups. The whole society has been working really hard to put this concert together and we hope you enjoy it!

THANK YOU

Thank you firstly to our committee for putting an incredible amount of work into putting this concert together in just a few weeks. We are sadly saying goodbye to a few members of our current committee, especially our brilliant librarian Christina who is graduating, but we very much look forward to what the next committee and year brings!

Thank you also to our conductors who have worked really hard with our coaches to work on their pieces and have made an amazing amount of progress this term!

And finally to our dedicated members who have generously given their time and energy to throw themselves into concert preparation this term!

We also want to thank everyone who has come to support us this evening. We hope you enjoy our showcase and celebrate with us the hard work and achievements of all our members this term.
