

STORYTELLING FOR IMPACT

Funding Competition

Apply for a fully funded opportunity to work with visual storytelling experts Nifty Fox Creative and communicate your research visually.

The SSIA are partnering with Nifty Fox, to offer you full support with producing one of the following:

- Static infographic
- Interactive infographic
- 90 second animation
- 3-minute animation

Some of last year's creations are linked here:

- [Interactive infographic on climate activism](#)
- [Animation on children's literacy](#)

Eligibility

This competition is open to researchers on teaching and research contracts only (excl. PhD students).

Underpinning research must be social science led - you can check this [here](#).

How and when to apply

Applications are open!

Deadline: 5pm, 9th January 2026.

Apply [here](#) or find out more information [here](#).

Got a question? Email rachael.kendrew@rhul.ac.uk

This competition is funded by the [Social Science Impact Accelerator](#), a programme that supports academics to generate real-world impact from social science research.
