

Note:

Questions 16 and 17 are for applicants to the Summer University Experience only. Applicants for the Easter University Experience please go straight to question 18.

16 Please list your predicted A level, BTEC or IB grades

Choosing your three workshops

17 Each attendee will take three taster workshops during the Summer University Experience.

Please pick your top five sessions from the options below, marking them on a scale of 1 to 5 (1= your preferred subject). This will help us assign you to your final three workshops.

Creative Arts

Drama & Theatre Media Arts (inc film, television, digital media and video art) Music

Social Sciences

Classics English History Politics & International Relations Philosophy Modern Languages (inc Comparative Literature & Culture)

If you have selected Modern Languages, please state the language you are interested in taking

Note:

The following questions are for all applicants to both the Easter and Summer University Experiences to complete.

18 Why would you like to attend the residential you are applying for? (100 words maximum)

19 What are your favourite subjects and why? (50 words maximum)

20 What are your ambitions for the future? (50 words maximum)

Please ask your parent/guardian/carer to complete and sign the next part of the form. Please give your completed application and parental consent form to your teacher. Your teacher will then complete their section and send the form to Royal Holloway on your behalf.

Data protection

The UK Data Protection Act (1998) requires us to obtain your explicit consent to process and retain your child's data. The Easter and Summer University Experiences are designed to target students from communities who are underrepresented in Higher Education. Information about parent/ carer occupation and educational background may be used for the purposes of selection and for monitoring the background from which applicants apply. At no time will your child's personal information be passed to other organisations.

Visual records

It is standard practice to take visual records on activities, which may take the form of still photographs or video. Photographic images will be used for marketing and publicity purposes only. We expect the uses could include promotion on social media, our web pages, newspaper coverage and submission of case studies to funding bodies.

29 Declaration
