The BB Group

Aim: The BB Group is a charity which uses tech for social good. We build communities of socially mediated support, connecting people in need with those who can help. We inspire social action and create long-term change on an individual and societal level. The BB Group comprises: MindFull, a national programme helping young people to improve and sustain positive mental health, emotional resilience and wellbeing. FutureYou, a national programme enabling young people to overcome the barriers they face in accessing and succeeding in education, employment and training. BeatBullying, an international bullying prevention charity working and campaigning to make bullying unacceptable, on the ground in the UK, Europe and Australia.

Roles:

BeatBullying International:

- Bilingual Senior CyberMentors who speak English and Greek/ Spanish/ Portuguese/ Czech/Italian/ Polish/ Romanian.
- Volunteer consultants to offer insight into or contextual knowledge about the above countries.
- Volunteer content writers/translators.
- Ambassadors for the programme, who might be able to communicate with friends and family in the target European countries, introducing them to the service - as well as raising

awareness of the programme and the volunteer opportunities available within relevant communities in the UK.

MindFull:

- MindFull revolutionises the way young people can access information, advice and support regarding their wellbeing and mental health. The MindFull website will offer young people access to a safe and secure online network of peer and professional support, improving their emotional resilience and developing positive coping mechanisms that enable young people to be happy and healthy.
- LifeMentors- adults aged 18 and above who come from different backgrounds and have lots of life experience to share and to draw on, providing young people with a friendly ear and support around wellbeing issues.
