

Community Action Project

General Nature Conservation Work

Community Action Partner

Spelthorne Natural History Society

Aim: The study of wildlife and conservation and practical nature conservation work in the Surrey Borough of Spelthorne (Shepperton, Sunbury, Ashford, Staines etc.).

Role: General nature conservation work, i.e. initiatives such as scrub clearance, footpath maintenance, pond restoration, woodland management and even wildflower meadow management.

Training: Full supervision would be given by leading members of the Society. Training, where necessary, would be given on the spot. Power tools would not be used.

Location: In and around Surrey.

Times: In the past few years it has been occasional Sunday morning work sessions between 10.00 a.m. and 12.30 p.m. However they are now able to accommodate volunteers on weekdays within the hours 10.00 - 16.00 on days to be agreed.

CRB: A CRB disclosure will not be required.

Application: All volunteers must be registered as Community Action volunteers. To do so, visit <http://www.rhul.ac.uk/services/volunteering/register.html>
