

Community Action Project

Young Archaeologist Club

Community Action Partner

Chertsey Museum

Aim: Chertsey Museum exists to enable residents and visitors to the Borough to explore its collections for inspiration, learning and enjoyment. As an institution it collects, safeguards and makes accessible artefacts and specimens, which it holds in trust for society.

Role: Young Archaeologist Club: learn on the job! You quickly pick up the skills to make an activity last longer or finish quickly. The more you do the more you will learn.

Training: giving 10 Saturdays a year or more if possible to plan ideas and help run activities for a group of 8-16 year old kids. Ideally volunteers would be someone enthusiastic about history and archaeology, who is imaginative and likes to get covered in paint, glue and mud. Need to be comfortable around 8-16 year olds, and able to commit to certain dates.

Location: Chertsey Museum, 33 Windsor Street, Chertsey, KT16 8JS

Times: 10 Saturdays a year (one a month) and if possible some time in between preparing things which could be done at home.

CRB: This project requires a CRB disclosure via Community Action office.

Other: The project has accessibility and will be open to discuss travel expenses being reimbursed.

Application: All volunteers must be registered as Community Action volunteers. To do so, visit <http://www.rhul.ac.uk/services/volunteering/register.html>
