A R T L I N E R

Community Action Project
Stewarding & Traffic Enforcement Volunteers

Community Action Partner
Artliner Ltd

**Aim:** Artliner's aim is to make art accessible to all. Through The Wind Tunnel Project, Artliner will bring an innovative cultural experience to fresh audiences and encourage more visitors to interact with culture. Along with the multi-sensory art experience, the six week project will also include a bespoke education programme which will engage 36 local schools. Through this programme, Artliner wishes to inspire the next generation of creative minds and encourage children to learn about the heritage that lies at the heart of Farnborough.

**Roles:** They require volunteers for two roles: Stewarding & Traffic Enforcement. Stewards will be responsible to ensure visitors stay on the allocated pathways through the two wind tunnel buildings, as well as the outside area leading to a Grade 1 listed Portable Airship Hangar. Stewards will be expected to communicate with visitors if required. Traffic enforcement personnel are required to welcome visitors into parking zones and direct visitors towards the shuttle bus services. There will be a constant flow of approx 100 cars every hour.

**Training:** All volunteers will be inducted before the project opens on 9th June 2014. Artliner will host an Induction Day at the end of May to include a health & safety induction, information on the project including the art works in the space.

**Location:** Farnborough

**Times:** Weekends: 14th-15th, 21st-22nd & 28th-29th June, 5th-6th, 12th-13th & 19th-20th July 8am to 6pm. Weekdays 9th to 18th July 8am to 6pm Potential evenings dates tbc.

**Other:** The ideal volunteer would be someone who is interested in the arts/heritage/history, and who would enjoy being involved in a unique project.

**All project volunteers must be registered as Community Action Volunteers.**
All project volunteers must be registered as Community Action Volunteers.
