Great Opportunities

**Aim:** Great Opportunities run youth clubs for children and young people with additional needs. Their vision is to help everyone develop life skills and confidence through participation in sport, art, music and technology regardless of age or ability with a view to increasing confidence, wellbeing, education and independence.

**Roles:** Volunteers are sought to help with the running of youth clubs for young people with additional needs. Volunteers will help children with the games and activities they take part in at the club.

**Training:** Full training provided. Volunteers will receive a training pack including disability awareness. They also run safeguarding training. The volunteers are not left on their own with the children and are always constantly supervised.

**Location:** Staines. Travel expenses will be reimbursed.

**Times:** Great Opportunities run a youth club in Staines on Saturday mornings. Ideally they would like people to come once a fortnight but they are flexible so if people can only manage once a month that is fine too.

**DBS:** Essential, talk to the Community Action team about this.

**Application:** All volunteers must be registered as Community Action volunteers. To do so, visit [http://www.rhul.ac.uk/services/volunteering/register.html](http://www.rhul.ac.uk/services/volunteering/register.html)
