

Community Action Project

Student Event Fundraisers/Brand Managers

Community Action Partner

Barnardo's

Aim: Barnardo's vision is that the lives of all children and young people should be free from poverty, abuse and discrimination. Barnardo's believe in children regardless of their circumstances, gender, race, disability or behaviour. They believe in the abused, the vulnerable, the forgotten and the neglected and will support them and bring out the best in each and every child.

Role:

- **Student Event Fundraiser:** creative, energetic and organised students from universities and colleges around the UK to work in groups as Student Event Fundraisers for Barnardo's. The events can be whatever you want...from a film night to a speed dating event, a festival to a 5-a-side football tournament. The charity would be nothing without the hard work of their volunteers and your commitment and sacrifice could really change lives. So why not help vulnerable children and young people, and have some fun at the same time? S
- **Student Brand Managers:** inventive, determined and socially aware students from universities and colleges around the UK to help raise the profile of Barnardo's amongst the students at their institute. This could include writing articles for your student media, creating large visual demonstrations on campus or organising meetings with your local MPs to highlight Barnardo's campaigns.
