

Community Action Project

National Aids Trust

Community Action Partner

National Aids Trust

Aim: The National AIDS Trust is the UK's leading independent policy and campaigning voice on HIV and AIDS. As a registered charity, they develop policies and campaigns to halt the spread of HIV, and improve the quality of life of people affected by HIV and AIDS, both in the UK and internationally.

Role: During the year and particularly in the build up to World AIDS Day (1 December) the Fundraising Team need help on various tasks, from researching potential fundraisers and support teams, helping to send out fundraising material packs, responding to public enquiries and helping to maintain accurate records.

The NAT Fundraising Team is also always looking for community fundraisers to help raise vital funds for NAT. Please get in touch if you would like to play a vital part in raising money for this important cause and raise awareness of HIV in the UK.

Training: Training requirements will be assessed and further training will be given so that volunteers can develop their skills in this role. The fundraising officer and fundraising assistant will also be on hand to help.

Location: London

Times: Volunteering opportunities are available from Monday to Friday between 9:00am and 5pm. There will also be opportunities to volunteer in the evenings during November and information will be provided on request.

CRB: A CRB check is not required.

Other: This project reimburses travel.

Application: Visit the link below to access and download the relevant application forms.
