Rotary Club of Egham

Aim: Rotary International is a global network of service volunteers. It is the world's largest service organisation for business and professional people, with some 1,210,905 members operating in 168 countries world-wide. There are some 58,000 Rotarians in Great Britain and Ireland in 1,845 clubs, helping those in need and working towards world understanding and peace.

Role: The Christmas collection is a major part of Egham Rotary Club's annual fundraising efforts, bringing fun and happiness to local residents, young and old alike. Father Christmas visits streets around the town on his customised, motorised sleigh, accompanied by the sound of choirs singing seasonal carols. They are looking for some enthusiastic and energetic volunteers to accompany the sleigh, collecting donations and spreading Christmas cheer. Ideal volunteer is someone cheerful, wanting to get involved with their local community and able to carry a small box containing donations!

Training: No training/induction required. All volunteers will be accompanied by experienced Rotarians.

Location: Egham and Englefield Green.

Times: Santa is going to be visiting Egham during the second and third weeks of December, Tuesdays to Thursdays, from 6-8.30pm. You don't have to commit to the entire festive tour, any time you have available would be really appreciated.

CRB: Not required.

Other: Volunteers will be reimbursed travel expenses and the project has accessibility.

Application: All volunteers must be registered as Community Action volunteers. To do so, visit <http://www.rhul.ac.uk/services/volunteering/register.html>
