Starfish Greathearts Foundation

Aim: Starfish Greathearts Foundation is an international development charity, aiming to bring life, hope and opportunity to children in southern Africa who have been orphaned or made vulnerable by HIV/AIDS.

Role: Starfish Day Collections (1st Sept) - On Starfish Day we promote the fact that just £6, so roughly one hours wages, will feed a child in South Africa for 2 months. This year to raise awareness and money we are holding collections at tube stations across London and really need your help!

Starfish Breakfast Run (5th Sept) - With over 400 runners we need lots of lovely volunteers to help coordinate the day! And many more one-off events coming up soon!

Training: One day of induction training and continuous training sessions throughout the year are available. The volunteer manager will provide support where needed.

Location: Various tube stations across London.

Times: 1st September - up to 2 hour shifts between 7.30am and 6.30pm.
5th September - between 8am and 1.30pm.

CRB: No CRB disclosure is required

Application: All volunteers must be registered as Community Action volunteers. To do so, visit <http://www.rhul.ac.uk/services/volunteering/register.html>
