Community Action Project

Computer Volunteer Helper

Community Action Partner

Hanover Housing Association

Aim: Hanover is one of the leading providers of affordable rental and home ownership retirement housing in England, Hanover pioneered the concept of Extra Care more than 20 years ago and it is now the established model for housing older people with low to moderate care needs. They have one of the largest portfolios of Extra Care developments in the UK.

Roles: They are looking for volunteers to encourage older residents to get on line with their Wi-Fi pilot. They also have a chrome book. The volunteers will give basic, easy steps computer lessons, like how to set up an e-mail account, how to contact relatives via social media and how to use a search engine.

Training: Not particular training is provided. The volunteers need to have basic computer skills. The volunteers will be introduced to the residents in a morning coffee. A manager will be on site.

Location: Englefield Green

Times: Wednesday or Thursday in the daytime

DBS: A DBS check is required for this role.

All project volunteers must be registered as Community Action Volunteers.
