**Community Action Partner**  
Active Surrey

**Aim:** Becoming a Sport Maker will give you the knowledge, information and connections to get better at making sport happen. You will be one of 40,000 like-minded people who are making a difference to the lives of their friends, colleagues or local community. You will be helping to deliver the official London 2012 Olympic and Paralympic Games sporting legacy by helping more people play more sport. And you will be having a good time doing it!

**Role:** Some Sports Markers might organise sport informally for themselves and their friends, colleagues or neighbours, for example by:

- Organising a friendly tennis session to help work colleagues get to know each other
- Rounding up half a dozen mates for a regular five-a-side football kick-about
- Encouraging five friends to do a local run in the park once a week, celebrating with breakfast afterwards and keeping them motivated.

Others won't take part themselves, but will do all those things that make sport possible, such as:

- Organising a fundraising fun-run for their village with the help of other Sport Makers
- Creating a multi-sport event or festival for the local community with other people

**Training:** All Sport Makers must attend a short workshop

**Location:** Surrey Wide

**Times:** Workshops are at a variety of times and volunteering can be at any time to suit you.
