

Community Action Project

Egham Hollowegian Knights

Community Action Partner

Egham Hollowegian Knights

Aim:

Our club ethos is to give every child who wants to play rugby the training and support they need. Unlike other clubs we pride ourselves in giving every child the opportunity to play in every match regardless of their ability.

Roles:

Volunteers can help with the coaching, help with first aid, act as referees, or help with the club's fundraising.

Training:

All volunteers will be supervised by the lead coaches. For those wanting to pursue coaching or referee awards we can arrange courses and pay for half the fees.

Location: Englefield Green

Times: Weekly. The juniors train on Tuesday evenings 6.30/8pm and Sundays 10am/2pm

CRB: A CRB is required for this project

Royal Holloway
University of London
