Englefield Green Youth Centre

Aim: We work to support and encourage young people to achieve more than they thought possible.

Role: Youth Support Workers - helping to run specific programmes with the young people alongside the qualified staff team. Work can include: going on trips, being creative or sporty, sitting and chatting to young people, playing pool or a range of other exciting things. At the end of the evening the whole team sit down and discuss what has happened during the session and plans for following sessions.
Ideal candidate would be enthusiastic, patient, fun-loving, approachable and willing to give things a go.

Training: Every member of staff and all volunteers are expected to have supervision every 6 to 8 weeks. We do a one-to-one induction session for each member of staff and hand out a checklist of documents and information they need to know about. We also give them a CD of all the relevant policies and guidelines to each member of staff.
